My best regards and Congratulations to Mr. President Bush and Ms. Rice for this wonderful job they are done, It is no wonder that today Hezb-ollah has thousands of bombs and rockets to kill innocence people of Lebanon and Israel !!

People are wondering if these institutions have anything to do with supporting and transferring funds for Hezb-ollah all over the world directly or indirectly?

Iranian people will not allow the Islamic mafia again to destroy our father land anymore !!!!!!!!!!!

END !!!!!!!!!!!!!!!
