Political Islam Practices

The purpose of Jihad is to annihilate every aspect of non-Islamic civilization through:

- **Force, pressure, demands, and violence are always options**
- **Sharia (Islamic) Law must replace all other forms of government**
- **Jihad must be practiced by all Muslims**
- **Jihad must be everywhere, in all aspects of private and public life in the *dar el harb* (region of war)**
- **The Jihadists must imitate history's model of the perfect political Muslim: Muhammad**

Muhammad the Ultimate Jihadist

Hadith B_{1,7,331} Muhammad: "I have been given five things which were not given to any one else before me: Allah made me victorious by awe, by His frightening my enemies for a distance of one month's journey.

- 1. The earth has been made for me and my followers a place for praying and a place to perform rituals; therefore, anyone of my followers can pray wherever the time of a prayer is due.**
- 2. The spoils of war has been made lawful for me yet it was not lawful for anyone else before me.**
- 3. I have been given the right of intercession on the Day of Resurrection.**
- 4. Every prophet used to be sent to his nation only, but I have been sent to all mankind."**

Secret Muslim Brotherhood Jihad Plan for America

“The process of settlement [of Islam in the United States] is a “Civilization-Jihadist” process with all the word means. The Ikhwan must understand that all their work in America is a kind of grand Jihad in eliminating and destroying the Western civilization from within and “sabotaging” their miserable house by their hands and the hands of the believers so that it is eliminated and God’s religion is made victorious over all religions.”

Document entered into evidence by FBI in Justice Department Holy Land Foundation Mistrial , Dallas, Texas

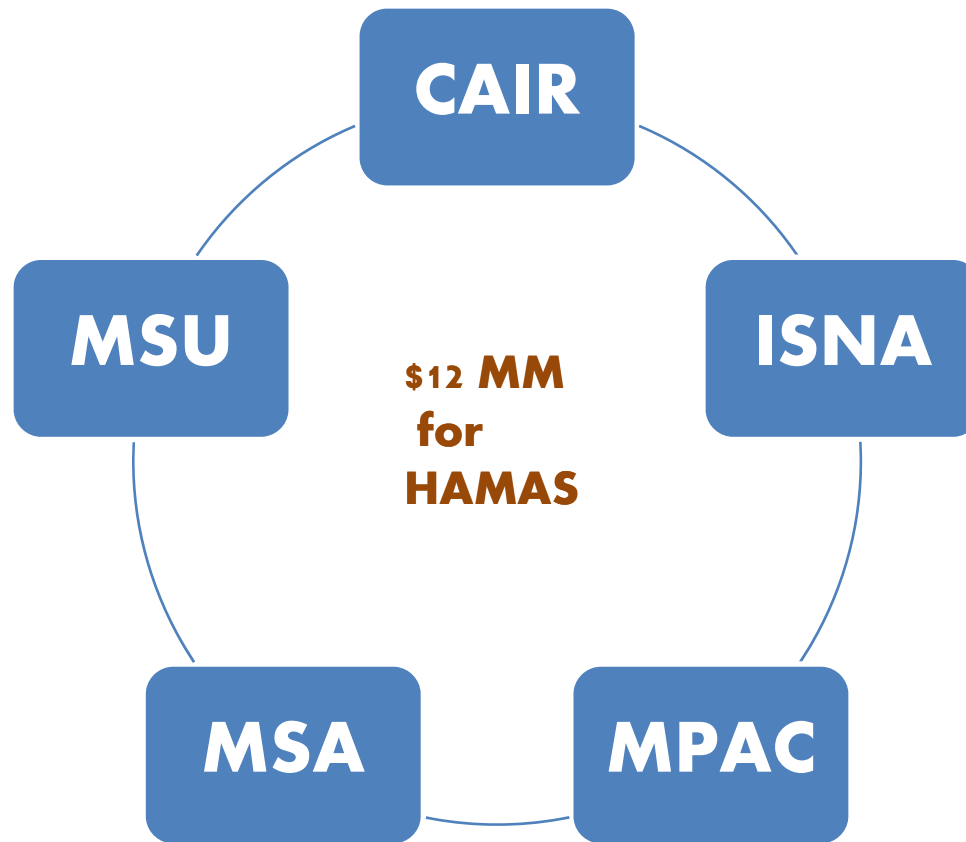

Goal of Muslim Brotherhood Plan for America

“The entire 18-page platform outlines a plan for the long haul. It prescribes the Muslim Brotherhood’s comprehensive plan to set down roots in civil society. It begins by both founding and taking control of American Muslim organizations, for the sake of unifying and educating the U.S. Muslim community – this to prepare it for the establishment of a global Islamic state governed by Sharia. ”
